We hire and retain a talented, dedicated, and hard working staff.

We promote strong leadership at all levels of the system.

What do we want all students to know and be able to do?

We deliver curriculum that is challenging, relevant, and promotes engaging learning experiences.

How will we know that they have learned it?

We employ research-supported instruction to meet the needs of all students (Framework, RTI).

What will we do if they don’t learn it?

We implement authentic, valid, and reliable assessments to guide instruction (Assessment Framework).

What will we do if they already know it?

We engage in job-embedded, collaborative, and results-focused professional development.

We ensure all students learn at high levels.

We improve achievement for all learners.
