Waukee Community School District’s 10-year Facility and Financial Plan was created to help map our future growth and development. It includes detailed plans to manage the District’s facility and infrastructure needs, financial health, and enrollment projections. We believe this plan is an intentional, strategic shift to a longer-term, systemic approach to facility planning and ongoing maintenance of our infrastructure.

**PROJECT TIMELINE**

- Board Presentation Jan. 13, 2020
- Northwest HS Brookview & Eason Additions 2021

- Elementary #12 2029

**KEY HIGHLIGHTS**

Provides a map for new facilities as well as support for existing facilities.

Equity in infrastructure across our schools is a priority, as is the access of students to technology.

ON THE BALLOT

Shall the Board of Directors of the Waukee Community School District in the County of Dallas, State of Iowa, be authorized to contract indebtedness and issue General Obligation Bonds in an amount not to exceed $205,000,000 to provide funds to build, furnish and equip two middle-level buildings, an elementary building and a pool athletic facility and improve the sites therefore; to build, furnish and equip an addition to the Waukee Innovation and Learning Center, including related remodeling and site improvements; to improve the athletic field; to acquire land for school facilities; and to make improvements at the District’s instructional facilities?

For the referendum to be successful, 60% of voters must vote yes.
